

ROBERT COFFEEN	Adjunct Associate Professor and Lecturer of Architectural Engineering 80% appointment
EDUCATION	University of Illinois, Bachelor of Science in Electrical Engineering, 1953
TEACHING EXPERIENCE	University of Kansas, Adjunct Associate Professor and Lecturer, 1992-present
CURRENT and RECENT TEACHING	ARCH 600 Listening to Architecture ARCE 676 Building Acoustical Systems for Architects ARCE 670 Building Power Systems for Architects ARCE 675 Architectural Acoustics ARCE 623 Electro-Acoustic Systems ARCE 103 Introduction to Architectural Engineering ARCE 357 Introduction to Engineering Economy
MEMBERSHIPS	Acoustical Society of America Audio Engineering Society American Society of Heating Refrigerating and Air Conditioning Engineers National Council of Acoustical Consultants
ACADEMIC AND PROFESSIONAL HONORS	Fellow, Acoustical Society of America Bradley Students' Teaching Award, 1998 Bellows Scholar, 1999 and 2000 University Center for Teaching Excellence, Teaching Award, 2000
PROFESSIONAL EXPERIENCE	Principal, R.C. Coffeen, Consultant in Acoustics, 1996-present Principal, Coffeen Fricke & Associates, Consultants in Acoustics, 1964-1995 Principal Engineer, Bums & McDonnell Engineering Company, 1955-1964
SELECTED PAPERS AND PRESENTATIONS	<i>A Computer Auralization and "Real World" Comparison Using the Computer Programs EASE and EARS</i> , 137 th ASA Meeting, Berlin <i>A Resource For Creating Learning Environments With Desirable Listening Conditions</i> ", 140 th ASA Meeting, Newport Beach CA <i>Computer Modeling/Auralization: Can These Computer Aids Assist Architects and Owners in Making Proper Project Decisions?</i> 143 rd ASA Meeting, Pittsburgh PA <i>Using Acoustic Measurement and Analysis Computer Programs to Teach Architectural Acoustics to Architecture Students</i> , 149 th ASA Meeting, Nashville TN
RECENT PROFESSIONAL ACTIVITY	Acoustical Consultation: Kansas Public Radio Studios Lawrence Performing Arts Center Conference Center, Northern Kentucky State University Auditorium of the Conference Center, LDS Church, Salt Lake City, UT
REGISTRATION	Professional Engineer, State of Kansas

SERVICE

School committee on computer resources, School scholarship committee, School strategic task force, acoustical consulting for several University improvement projects, organized several annual ASA student design competitions
