

## TIMOTHY CHARLES LIES

### EXPERIENCE

#### Financial Manager, 1991 -present

Gould Evans Associates- P.A.; Architecture, Interiors, Urban Design & Landscape  
Directly engaged in making and implementing business decisions for an eighty person design services firm including: developing corporate strategies, business planning and project financing, working capital management and forecasting.

#### Design Instructor, 1989-91

The University of Kansas, School of Architecture and Urban Design

Provided instruction each of four semesters through the use of design projects and reviews in the six-hour studio core course consistent with the educational intent of the School for second-year students in an architectural design program.

#### Urban Designer 11, 1988-89

The Topeka/Shawnee County Metropolitan Planning Agency,

Enhanced community's development by working with developers to improve building proposals prior to presentation with recommendation to the Planning Commission, County Commission and/or City Council for public comment and approval.

#### Research Assistant, 1988

The University of Kansas, School of Architecture and Urban Design,

Selected to participate in a design study sponsored by Lawrence Memorial Hospital to redefine spatial requirements for a section of the Hospital scheduled for renovation which required programming documents and design alternatives.

#### Urban Designer 1, 1987

The Economic Development Corporation of Kansas City, Missouri,

Worked in a public/private planning partnership to assist agents of economic development projects by identifying viable opportunities, devising workable plans, building community support, assisting with financing and getting public approval.
