

Background Information:

The Computer Advisory Committee, now named Technology Advisory Committee, was formed to bring information involving changing technology in the school to both the student body and to the faculty. As part of an effort to guide technology progression and review progress; the charge of this committee is to bring issues related to technology to the attention of the administration and to review and suggest changes and the implementation of those changes.

Last Year's Issues:

- The formation of the computer committee
- The overhaul of the school website
- The selection of design software
- The merging of computer labs
- The internet access fee
- The introduction of wireless networking
- The revision of lab hours – 24hr access

Main issues for this session:

Summarization of the Marvin Hall Digital Upgrade

- Access Points
- Clean Power

Funding purchases for the remaining KU tech fee money

- 600GB Extra Storage for Students
 - Gives students additional 750 MB Storage on servers
- Tape Backups – Autoloader
 - Gives students a backup of current projects to avoid data loss

KU tech fee spending this year:

- 4 New computers in 305 Lab \$6500
- TransCAD Software for UBPL 50% \$4100
- New Photo Plotter HP 20ps \$1600
- Upgrades for UBPL Computers 40GB/512MB \$1000

KU Digital Library Initiative (DLI) Proposal

- Proposal to bring the Slide Library Images online in a fashion that allows student and faculty access to images for research and analysis

Recap of the necessity of the SAUD tech fee

- For Shop, Computing Hardware / Software, Infrastructure, Printing
- Update and recent discussions / progress

Policy Definition

- Policies regarding lab usage
- Policies regarding studio computing
- Policies involving Software Piracy
- Policy involving internet access and firewall
 - Internet Access Fee Dropped in lieu of the tech fee

Streamlining of Software

- Need to start slimming down software choices
- Example by Paola

New Lab usage information

- Duplication of Software in 305 and 223

OmniLock plans for labs

- KUID Card Swipe Access
